

Providing tailored programmes and support for young adults with SEND, designed to inspire ambition and promote greater independence

World of Work

A personalised, full-time learning programme, introducing and preparing young people for job opportunities and developing their independence within their local community

Supported Internships

A full-time workplace study programme, combining 'on-the-job' training and coaching to gain the skills needed to transition into sustainable, paid employment

Visit our website to find out how to apply and to arrange a visit to our base at Friar Gate Studios in Derby City Centre

Sustainable Outcomes Service

A bespoke follow-on service for those in paid employment, offering roll-on / roll-off in-work support, guidance, performance reviews and job-related training

Information, Advice & Guidance

A 'one-stop shop' for signposting, sharing knowledge, experiences and services for those young people Preparing for Adulthood and their circles of support

BeConnected Membership

A membership service providing activities and events to encourage healthy lifestyles, well-being and social confidence for young people with SEND

Independent Travel Training

A free and flexible service for young people with SEND in full-time education, providing 1:1 support to build the skills and confidence to travel independently
